Evergreen Valley College, Performing Arts Building,
3095 Yerba Buena Rd. • San Jose • CA 95135

There are approximately 2 million undocumented children who were born outside the U.S. and raised in this country. These are young people who were educated in American schools, hold American values, know only the U.S. as home and yet risk deportation to countries they may not even remember. Currently, there is no path to citizenship for these young people.
